Minutes on Agenda items:

1. Grant for Educational Scholarships – The present system of sanctioning educational scholarships by the Central Committee will continue with the modification that henceforth, for all times, only a summary statement of those found eligible for the scholarships in each group, namely, boy child of staff in GP upto 2400, girl child of staff in GP upto 2400 and wards of staff in GP 2800 and above, will be sent by the divisions/units to the Central Committee, who will sanction based upon such statements. Applications will be scrutinized by the Welfare Section of the division/unit with respect to fulfilment of conditions of eligibility and thereafter by the Local SBF Committee of that division/unit. Hard copy of applications will NOT be sent to HQ and will be retained in the division/unit itself. It will be the responsibility of the Local

SBF Committee to see that names of only eligible staff are sent to Central Committee for sanction.

2. Grant to Railway Officers' Club Baroda – Audited Accounts for the year ending 31.03.2020 perused by the Committee and Rs. 4 lakhs sanctioned. Staff side members urged that when booking of Club premises, whenever available after meeting the needs of its members, is made in favour of Non-gazetted staff, they should be charged at the same rate at which Club Members are charged. At present, they are being charged at the rates applicable for 'non-members'. Separate rates for members and non-members is decided by the respective Managing Committees of Clubs and the HQ does not have a say in it. The HQ do not have any objection if the Clubs can offer some concession to non-member railwaymen in the booking of premises.

3. Grant for Sr.Railway Institute Rajkot - Audited Accounts for the year ending 31.03.2021, perused by the Committee and a grant of Rs. 2 lakhs sanctioned.

4. Grant for furnishing the Holiday Home at Dwarka Dhaam –This being a new Holiday Home with 8 rooms and halls, Rs20 lakhs sanctioned for furnishing the items listed by the Division in its proposal. Purchases to be made by Spot Purchase committee (s) comprising of one personnel officer, one accounts officer and one member from each union and each association in the Local SBF Committee. Since there are very many items, more than one committee can be constituted for similar groups of items. Staff side members in the LSBF may be consulted to keep the size of the committee at 4 members, say, by having two staff side members in one committee and another two in the 2nd committee. As far as wooden furniture is concerned, instead of going in for expensive branded furniture, it is suggested that the committee can visit the local market including that of the nearby major town, place the order for design of their choice for making the furniture out of seasoned wood, inspect it and place marks on it for identification before polishing and then get the polishing done, if possible at railway premises, else at the show room. This is only a suggestion for making good quality and durable purchase at reasonable rates out of the available funds. The Division can adopt any better system as well, as deemed fit.

.5. Re-appropriation of 62 lakhs to the AYUSH head–The Committee decided that, as in previous years, request should be made to Medical Department to provide from out of the Medical budget. In case of any difficulty, the Committee will consider re-appropriating from another head for the year 2021-22.

6. Gym Equipment for Valsad – Proposal approved for Rs1,54,168/-, as received from BCT Division.

7. **Multi Station Gym Equipment for Railway Colony Palli Hill Bandra** – The colony has small number of railway quarters. Equipment will not be used to the desired extent to justify the investment in the equipment. Therefore, dropped.
