GREAT VICTORY OF WREU

A road going towards workshop, city railway station and main hospital has been closed by Engineering department without providing any alternative and without discussing with the residents of the seven bungalows in which all the officers of Dahod workshop are residing. Around 2000 railway staff residents, their family members and other residents of surrounding area are using this road for going to railway station, Dahod city, school, colleges, marketing, medical treatment etc. This location is at shunting neck for providing the road to Dahod workshop and taking it back to railway main line.

On receiving representations from local branches at Dahod, WREU raised this issue before General Manager vide letter No. DHD/WS/20/2021 dated 13-07-2021 and requested to advice PCE and DRM-RTM for examining the problems and make alternative arrangements for keeping the same road open at all times except during the shunting operations period. In continuation the matter was raised as an Outset Item No.6/2021 on 22-07-2021. As a result of continuous pursuance by the union this road was opened on 29-10-2021. This is a great relief to the railway men and their families residing in that area.
