Sub: Provision of CT scan and MRI facility in Jagjeevan Ram Hospital, Mumbai Central.

Western Railway Employees' Union is thankful for providing number of facilities in Jagjeevan Ram Hospital Mumbai Central for the benefit of the patients. We have requested for providing in-house facility of CT scan and MRI in Jagjeevan Ram Hospital Mumbai Central number of times. But except assurances these vital facilities have not been provided in Jagjeevan Ram Hospital till date. Jagjeevan Ram Hospital is referring patients to outside center for CT scan and MRI. It has referred 1512 cases for MRI and 1586 cases for CT scan in the year 2022 to the Private agencies with whom the JRH had a MOU for CT scan and MRI. Since there is lot of crowds for CT scan and MRI centers, patients and their attendant have to wait for longer time and many times they are detained/delayed due to heavy traffic on the road. Presently one full time Neurologist and Urologist is available in Jagjeevan Ram Hospital. In their cases minimum need of CT scan and MRI is always there

You are therefore requested to explore the feasibility for providing CT scan and MRI facility in Jagjeevan Ram Hospital as in-house facility, which would be beneficial and helpful for the patients.

  
**General Secretary**
