Sub: Eligibility Criteria for Train Manager (Goods) Selection – Clarification

We want to draw your attention the matter of eligibility criteria for the selection of Train Managers (Goods) as per the notification issued under DRM (E)-RJT vided No. ET/1025/15/1 Vol. I (Rankar) Dated 06.09.2023.

As per the aforementioned notification, 68 posts of Train Manager (Goods) are to be filled from among the serving employees, under the 60% Ranker quota. Following to this, a clarification regarding the eligibility criteria, general terms, and conditions was issued on 15.09.2023 by DRM(E)-RJT.

According to this clarification, the eligibility criteria for all Group C employees working in the Traffic/Commercial department is defined as those who have a minimum of 03 years of regular service as of 06.09.2023, falling within the pay Matrix Level-2 to Level-4. This has resulted in that Pointsmen-A, who are working in pay Level-2 for the past 02 years and have completed 08 years of regular service in the Traffic department, are not considered eligible under this criteria.

In this context your attention is drawn to the eligibility criteria for selection under the 60% General Selection quota, as stipulated in Para 124 (1) (i) of IREM Vol. I (1989 edition) and mentioned in Railway Board letter RBE No. 46/2017 dated 12.05.2017. Accordingly, employees working in pay Level-2 to Level-4 of specified categories with a minimum of three years of regular service are eligible.

You are therefore request to issue appropriate instructions to DRM-RJT to ensure that all eligible candidates, including Pointsmen-A, who meet the criteria mentioned, are considered for the selection process of Train Managers (Goods).

General Secretary
