Sub: Request for Consideration of Inter Divisional Transfer Requests - ADI Division

The issue concerning the consideration of inter divisional transfers of employees, a matter that has been discussed on several occasions. After detail deliberation, it was agreed that during the allocation of panels of newly recruited candidates to divisions, adjustments would be made to cater to the pending requests for inter divisional transfers.

Subsequently, headquarters office called for the details of pending transfer requests from all divisions. However, WREU-ADI come across a discrepancy in the information provided by ADI division. ADI division has indicated a NIL position regarding pending inter divisional transfer requests. However, several inter divisional transfer requests were indeed registered at the unit level but were not forwarded due to reported staff shortages. This oversight has had the unintended consequence of hindering the allocation of additional candidates to ADI division, resulting in a backlog of pending requests for inter divisional transfers.

In light of this situation, you are therefore requested to intervene by calling for the details of pending inter divisional transfer requests from ADI division. Once these requests are properly reviewed and processed, please take the necessary steps to provide relief to the affected employees.

General Secretary
