Sub: Abnormal delay in conducting LDCE examination for the post of Station Masters, Pointsman and all other categories.

It has been complained to the union by almost all the divisions that due to one or other reasons LDCE examination are not conducted.

As regard ADI division there are 59 vacancies of Station Master under LDCE quota. Last LDCE examination was conducted around 12 years ago. Last Panel of LDCE (Station Master) was issued on 22-08-2012. Due to this long delay for conducting the LDCE examination number of employees are deprived of this facility.

Similar is the position in almost all categories in all divisions on entire Western Railway.

You are requested to call for details from all the divisions in connection with LDCE examinations conducted during last 1½ decade. You are also requested to issue instructions to all Divisions and CWMs of the workshop for conducting LDCE examination on priority wherever it has not regularly been followed.

General Secretary
