No.BCT/12/2024

Dated: 17-05-2024

To,
PCE-CCG
GM(E)-CCG

Sub: Supply of Water bottles (2 litres) to the Track Maintainers.

Railway Board vide RBE No.219/2005 dated 27-12-2005 was issued guidelines for providing Uniform and other accessories to Gangman (Trackman), Keyman, Mates and Patrolmen. The letter emphasized at Sr. No.11 for providing Milton type Water bottles of 2 litres having proper heat insulation so that water can be kept cool for 5 to 6 hours once in a period two years.

It has been pointed out that hardly any divisions on Western Railway have been complied RBE No. 219/2005 in toto as a result water bottles have not been supplied to the Trackmen so far. Now the Railway Board vide its letter No.2024/E(W)/20/3 dated 09-05-2024 have been reiterated the earlier instructions issued vide its letter dated 27-12-2005 (RBE No.219/2005) and advised Zonal Railways for providing Water bottles of 2 litres capacity having proper heat insulation to the Track Maintainers (erstwhile Gangman/Trackmen/Keymen/Mates/Patrolmen) keeping in view of ensuing intense heat wave condition across the country.

You are therefore requested to advise all DRMs to ensure supply of Heat Insulated Water bottles (2 litres) to the Track Maintainers are the earliest.

General Secretary
