SUB: Abnormality found in the Appendix-III (IREM) examination-2024

It has been brought to the notice of this organization that following abnormalities are experienced by the candidates appeared in the Appendix-III (IREM) examination held on 18<sup>th</sup> & 19<sup>th</sup> June, 2024 on Western Railway.

1. Four examination papers held in two days in morning and evening shifts i.e 3 Papers of CBT and 1 subjective paper which was hectic and rigorous. In the old pattern such exam consists of six papers was conducted in 6 days with single shift only.
2. Candidates compelled to scroll up and down and side ways in order to adjust entries in the Book Keeping question of descriptive paper. Which is time consuming.
3. Candidates faced very hard and uncomfortable to attend CBT mode papers (3 papers) on a small monitor of 14 inches or below provided at the exam centre.

You are therefore requested to examine the matter in detail and do the needful to initiate corrective measures at appropriate level at Railway Board to mitigate the problems faced by the candidates appeared in Appendix-III examinations.
