Sub: Provision for railway quarters for the staff working in GDLG Shed - GIM.

It has brought to the notice of union that 150 employees were posted in GDLG Shed at GIM out of which only 11 employees were allotted railway quarters from different housing pools. A joint representation of employees working in GDLG Shed have been submitted to DRM-ADI.

Now the staff strength has been enhanced and more than 270 employees consisting of JE(Electrical & Mechanical), Technician (Mechanical & Electrical), Technician (Diesel) and Assistant Loco Shed are working in GDLG Shed and they are in dire need of railway accommodation. It is learned that the company has not made any budgetary provision for construction of accommodations for the railway staff nor the railway has incorporated any such conditions in the MOU for providing accommodations to railway employees by the company.

It is pertinent to point out that there is scarcity of accommodations in affordable prices at the vicinity of GDLG Shed at GIM and the city falls in the ambit of 10% HRA.

You are therefore requested to do the needful for construction of adequate number of railway quarters at GIM, with earmarking to the employees working in GDLG Shed to mitigate the persisting problems.
