Sub:- Unwarranted proposal for transfer of employees from DHD Workshop to M/s Siemens India for 9000 HP Project at DHD.

It has been brought to the notice of this Union that CWM-DHD is abruptly directed number of employees working in DHD Workshop for training under the private agency M/s. Siemens India Ltd. at 9000 HB Project at DHD on the pretext that, they shall be transferred to the project on need base.

The above unwarranted initiative of CWM-DHD has lead to serious anxiety and apprehension amongst the employees working in DHD Workshop that they will be transferred unconditionally to 9000 HP Project under the private agency M/s. Siemens India Ltd. It is matter of serious concern as regard to staff matters.

In this context it is submitted that to mitigate the resentment and apprehension and in order to have a clarity on the matter, the administration should have a detailed meeting with representatives of recognized Unions at DHD Workshop which would yield a amicable solution on the matter and concern of staff, although to avoid future hindrance on the out turn of Workshop as well as staff matters.

You are therefore requested to advise CWM-DHD to have a joint meeting with recognized unions and to have a detailed discussion on the related issues so as to settle the matter amicably for the betterment of staff and system.

General Secretary
