Sub : Provision for Resting Shelter for the Patrolman in between P.Way Sections.

It has been brought to the notice of this organization that the P.Way Patrolman are shouldering the responsibility of Patrolling the tracks within the stipulated Kms. area in their sections round the clock in all seasons for the safety and proper up-keeping of tracks.

They have requested for providing Resting Shelter in between Sections which would yield little bit relief for them during their stressful patrolling duty in the lengthy section. Such facility for the Patrolmen/Keymen has been successfully introduced by SWR & SCR Railways.

You are therefore requested to examine the matter and advise the Sr.DEN(Co) of divisions for providing resting shelter in the mid-section within the P.Way Sectional beats in the divisions for the Patrolmen/Keymen etc. which would be beneficial for the staff as well as the system.
