**General Manager**  
**Western Railway**

Sub: Construction of New Divisional Railway Hospital.

The existing building of the Divisional Railway Hospital at SBI is years old and expanded in all the directions over a time to meet the growing requirements. However, it has been observed that the present infrastructure is still inadequate to cater to the current needs and increasing workload of the hospital. The Union is of the firm view that further improvement or expansion of the existing structure is not feasible.

In view of the above, it is requested that the feasibility of constructing a new building for the Divisional Railway Hospital may kindly be explored.

  
General Secretary
